Accordingly, you should not use this document for any other purpose.

Prohibition of Sales to EEA Retail Investors

In addition to the restrictions under the AIFMD, the units of Mitsui Fudosan Logistics Park Inc. (“MFLP” or the “AIF”) are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area or the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU, as amended, or the MiFID II, including any client, beneficiary, principal, or similar of any person acting as a trustee, agent, nominee, or similar; or (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129, as amended, or the Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014, or the PRIIPs Regulation, for offering or selling the units of MFLP or otherwise making them available to retail investors in the EEA has been prepared. Therefore, offering or selling the units of MFLP, or otherwise making them available, to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

United Kingdom

The units of MFLP are being marketed in the United Kingdom pursuant to Article 59 of the United Kingdom Alternative Investment Fund Managers Regulations 2013. In accordance with this provision, Mitsui Fudosan Logistics REIT Management Co., Ltd. (the “AIFM”) has notified the Financial Conduct Authority (the “FCA”) of its intention to offer these units in the United Kingdom. For the purposes of the United Kingdom Financial Services and Markets Act 2000 (“FSMA”), MFLP is an unregulated collective investment scheme which has not been authorized by the FCA. Accordingly, any communications of an invitation or inducement to invest in MFLP may be made only to: (i) investment professionals falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended, or the Order; (ii) high net worth companies, unincorporated associations or other entities falling within Articles 49(2)(a) to (d) of the Order; or (iii) other persons to whom it may lawfully be communicated (all such persons together being referred to as “Relevant Persons”). In addition to the restrictions under the AIFMD, as retained by the United Kingdom in its domestic laws, the units of MFLP are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom. For these purposes of this provision, a “retail investor” means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“EUWA”); or (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129, as it forms part of domestic law by virtue of the EUWA; and the expression “offer” includes the communication in any form and by any means of sufficient information on the terms of the offer and the international units to be offered so as to enable an investor to decide to purchase or subscribe the international units.

Consequently no key information document required by Regulation (EU) No 1286/2014, as it forms part of domestic law by virtue of the EUWA (the “UK PRIIPs Regulation”), for offering or selling the international units or otherwise making them available to retail investors in the United Kingdom has been prepared and therefore offering or selling the international units or otherwise making them available to any retail investor in the United Kingdom may be unlawful under the UK PRIIPs Regulation.

European Economic Area Investors

The Directive 2011/61/EU (the “Alternative Investment Fund Managers Directive”, or the “AIFMD”), was adopted on June 8, 2011 and was required to be implemented by each Member State of the EEA into its national legislation by July 22, 2013. The units of MFLP may not be marketed (within the meaning given to the term “marketing” under the AIFMD), and the Communication may not be conducted, to prospective investors domiciled or with a registered office in any Member State of the EEA unless: (i) the units of MFLP may be marketed under any national private placement regime (including under the AIFMD) or other exemption in that Member State ; or (ii) the units of MFLP can otherwise be lawfully marketed or sold in that Member State in circumstances in which the AIFMD does not apply, provided that any such offer or sale is not made to a retail investor as described above. Netherlands

The units of MFLP are being marketed in the Netherlands under Section 1:13b of the Dutch Financial Supervision Act (*Wet op het financieel toezicht*, or the “Wft”). The units of MFLP will not, directly or indirectly, be offered, sold, transferred or delivered in the Netherlands, except to or by individuals or entities that are qualified

As a consequence, neither the AIFM nor MFLP is subject to the license requirement for investment institutions (*beleggingsinstellingen*) or their managers pursuant to the Wft. Consequently, the AIFM and MFLP are only subject to the supervisions of the Dutch Central Bank (De Nederlandsche Bank, “DNB”) or the AFM for the compliance with the ongoing regulatory requirements as referred to in the Dutch law implementation of Article 42 of the AIFMD. According to Article 23 of the AIFMD, this Article 23 Prospectus is not subject to approval by the AFM. Specified assets include, but are not limited to, securities, real estate, leaseholds of real estate, surface rights (<i>chijō-ken</i>) (i.e., right to use land for the purpose of having a structure on it) or trust beneficiary interests for securities or real estate, leaseholds of real estate or surface rights. 	<p>outstanding balance be paid.</p> <p>In the event of an increase in interest rates, to the extent that MFLP has any debt with unhedged floating rates of interest or MFLP incurs new debt, interest payments may increase, which in turn could reduce the amount of cash available for distributions to unitholders.</p> <p>Higher interest rates may also limit the capacity for short- and long-term borrowings, which would in turn limit MFLP's ability to acquire properties, and could cause the market price of the units to decline.</p>
Any restrictions on leverage	The maximum amount of each loan and corporate bond issuance will be 1 trillion yen, and the aggregate amount of all such debt will not exceed 1 trillion yen.
Any restrictions on collateral and asset reuse arrangements	No applicable arrangements.
